

## **Cooking Tips**

- ✓ Always wash vegetables before cooking.
- ✓ Fresh herbs improve the flavor of most dishes.
- ✓ Olive oil is suitable for sautéing vegetables.
- ✓ Garlic and onion are common ingredients that add flavor.
- ✓ Salt should be added gradually during cooking.
- ✓ Eggs should not be overcooked because they become dry.
- ✓ Cook pasta in boiling salted water.
- ✓ Taste your food before serving to adjust the seasoning.
